

Since 1970,  
Earth Day  
every day

Earth Day is an annual celebration on April 22 that honors the achievements of the environmental movement and raises awareness of the need to protect Earth's natural resources for future generations. Going paperless in your PSERS Defined Contribution (DC) account is one way you can help!

**Going paperless allows you to:**

- Feel secure that documents have not been lost in the mail.
- Save time - stop storing, organizing, and shredding documents.
- Reduce clutter and print only when you need it.
- Access statements and documents 24/7.

Get involved and go green by signing up for e-Delivery today. Visit PSERS online to access your PSERS DC account through the PSERS Member Self-Service (MSS) Portal. In your DC account, go to your profile in the upper right-hand corner and select *Communication Preferences* to update your notifications to paperless.

Don't stop there. Action requires education. For more information about Earth Day and ways you can help make every day Earth Day, please visit [epa.gov/earthday](https://epa.gov/earthday) and [earthday.org](https://earthday.org).
